	- placement records, participation of faculty in research & publications, and student participation in extra and co-curricular activities. - Principal/ member secretary is required to present the college performance in every Governing Council(GC). Principal and senior professors are required to answer any queries regarding progress, quality, new proposals, and other issues that the GC members raise. This helps in quality assurance. - GC Members participate in various activities and programs of the institution from time to time. - Discussions and analyses are performed on Examination results, placement, student feedback, admission quality, and faculty knowledge enhancement. - The Chairman keeps in touch with the principal to give suggestions and keep informed about various activities. Head of the Institution also invites the chairman and other members of the GC for important activities held in the institution.
Student Feedback on Institutional Governance / Faculty Performance	- Faculty appraisal feedback for each course across the undergraduate program is set up centrally on the Bookley platform. - Student feedback on the Governance is taken through the exit survey. Exit survey is taken through questionnaire which is sent to all final year students during the final semester and corrective actions are taken on the feedback.
